- Utilize computer systems to assist with pricing, availability and alternate product selection.
- Place orders and resolve pricing situations encountered during customer transactions using current sales policies.
- Refer customers to other internal/external resources when the need arises.
- Work effectively with others in a team based environment to accomplish company goals and to identify and resolve problems.
- Perform necessary housekeeping duties in order to maintain a clean, safe, organized working environment.
- Ensure that all purchase documents comply with established processes, policies and procedures and are documented sufficiently for future reference.

Essential Position Requirements:

- Ability to multi-task and continually prioritize tasks to be completed throughout the day
- Proven strong computer aptitude in a Windows environment
- Ability to follow verbal and written instructions with minimal supervision
- HS Diploma or equivalent
- 2-3 Years of customer service experience
- 1-2 Years of sales experience
- Experience identifying problems and offering alternative solutions and/or courses of action based on available resources
- Effective written and verbal communication skills
- Ability to work continuously at a sales counter or use a phone headset for extended periods of time
- Ability to lift heavy items occasionally.
