

Payment Estimator

Enter your equipment cost below to calculate your estimated range of monthly lease payments. For your convenience, we've shown approximate payment ranges for 36, 48, & 60 month terms. This calculation is based on the information you entered & is for illustrative purposes only. Your individual payments will be based upon credit & equipment approval. Actual down payment & resulting monthly payments will vary. Check with your sales rep for exact monthly payments.

Tax Benefits

Your Geneva Capital Representative will help you maximize your tax benefits based upon your needs. Below are options you may choose from in making your equipment leasing decisions: (*Please consult your tax advisor.)

True Lease

With this lease structure the monthly lease payments may be deducted as an expense item for income tax purposes over the life of the lease.

Capital Lease

With a Capital Lease, the equipment cost may be deducted from taxable income in the year the equipment was purchased via Section 179.

Through our four pillar philosophy, we hope to provide you with a level of product and service that is unmatched in the industry. Geneva Capital approaches each lease as the beginning of a long-term business relationship. Our objective is to create fair, honest financing options that make you a customer for life, not just the term of your lease.

THAT'S THE GENEVA DIFFERENCE.
