

## Product Bulletin

### Zephyr T 3 mil Gloss Digital Vinyl w/ Tinted Adhesive

*Zephyr T* is a white, 3 mil premium 5-year calendered film with a grey tinted permanent acrylic adhesive. The pigmented adhesive provides increased opacity and reduces bleed through when covering existing graphics or dark colored substrates. It has a 90 lb. layflat liner to handle the requirements of today's wide-format digital printers. Zephyr T's natural white gloss finish gives your prints that all-important "color POP" that makes them stand out from the crowd. Zephyr T is a reliable, economical material to use for a wide variety of indoor and short- to medium-term outdoor applications.
