

## Denco Sales eStore Tips & Tricks

Finding products on our eStore:

The main page (home page or browse page) is organized into categories. Many categories have subcategories. You may search for products by clicking into the categories or you may search by keyword, product number, order number or PO number.

When you click on a category, subcategories will be displayed along with the opportunity to refine your search. A list of the items in all the subcategories is also displayed.

You may also look for items purchased most often using the Order History link in the My Account bar on the right side of the page.

**3 Yr Gloss Digital Vinyl 54" x 150'**
